

Meares NYE Scavenger Hunt 2024

Salvete, Roman Legionnaires! Tonight, you embark on campaign to conquer new territories for Rome. As brave generals under the command of Julius Caesar, your mission is to rally the legions and gather clues to uncover what led to the fall of the Republic. Team up with a friend (up to 3 people per team) and prepare for glory!

How to Play

1. **Begin Your Campaign:** The locations of the provinces (numbered 1 – 7) are marked on your map. March to the location of the Starting Province below and look for orders (*stored in a plastic bag*).
2. **Gather Intelligence:** Each outpost contains two clues to other provinces. Choose one clue, decipher its riddle, and advance to the location of its answer.
 - a) **Keep Your Campaign Log:** Record the path you've taken between outposts in case you need to backtrack.
 - b) **Follow Caesar's Orders:** Your path must connect valid provinces to be eligible to win.
 - c) **Revisit If Necessary:** You may return to an outpost multiple times if your campaign requires it (e.g., the path could be 1 → 6 → 1 → 2, etc.).
3. Each province is assigned a letter. Record this letter in the table below.
4. The letters are encrypted, so look for a pattern and decode them to produce the Secret Letters. Unscramble the Secret Letters to recover the Secret Word.
5. **Claim Victory:** Once you have the correct path and word, scan the QR Code to submit your campaign log and guess. The first team to submit a valid path and the correct word will be hailed as Emperor!
